## UPPER CANADA GOLF COURSE 2017 UPDATE AND MEMBERSHIP

---

Thank you for golfing at Upper Canada in 2017. We look forward to being your first choice for golfing in 2018.

Once again we will offer all full golf memberships (Single, Couple, Junior, Student and Senior) complimentary use of the driving range. This provides you with added value of \$220 to \$280 depending upon your membership category. We encourage you to review each of the membership benefits and select the category best suited to your playing times and days.

We will also continue with membership in Golf Canada/Golf Association of Ontario (GAO). The fees are \$36.50 per adult and \$26.00 per junior member (plus HST). With the increase in fees, the GAO has added some valuable insurance benefits such as coverage for damaged clubs and windshield protection. Visit the website for more details [www.uppercanadagolf.com](http://www.uppercanadagolf.com).

For your convenience, the golf payment plan has been updated to allow you to customize your payments and time schedule. You can pay on a monthly basis from now until October 1, 2018. For members who pay their membership in full by March 31, 2018, you will also receive two free weekday green fee passes – more than a \$100 value.

Enclosed is an updated membership form for you to complete and return. We encourage you to go paperless and complete the form online. Follow this convenient link to the website [www.uppercanadagolf.com](http://www.uppercanadagolf.com) to complete your membership form. A number of in-season member events are held each year and your participation is important to make them successful and we encourage you to sign up. For 2018 we are looking for a couple of member volunteers to aid in the running of the events, please let Allen know if you are interested. The events are organized for your enjoyment and to help to create a friendly environment for all.

We made a number of upgrades to the course in 2017 including drainage work on #1, #10 & #11 and have begun some tree work on #2 and #12. As always our team is working hard to optimize playing conditions.

Our team will be attending the Ottawa Golf Show on March 9 and 10, 2018 at the EY Centre. Stop by our booth and say hello if you are at the show.
