

UCGC MEMBERSHIP RENEWAL

January 2021

UPPER CANADA GOLF COURSE 2022 MEMBERSHIP

Thank you for choosing the Upper Canada Golf Course (UCGC) in 2021. It was another unusual year for everyone and the normalcy and activity that a game of golf offered people was a welcome distraction for many. The game's popularity has continued to grow amid the pandemic, and although we hope by spring the COVID situation will be outgoing, we continue to expect to see more golfers on the green for the 2022 season.

That's why we are reaching out to you, our existing 2021 UCGC members, to give you the opportunity to secure your 2022 spot on the green now. Additionally, **if you renew and pay your membership in full by March 31, 2022, you will receive two complimentary weekday green fee passes**, perfect for introducing family and friends to your golf course.

Full golf memberships are available for Single, Senior, Junior, and Student. All memberships include complimentary use of the driving range (a value of more than \$250). We encourage you to review each of the [membership options](#) and select the category best suited for you.

Membership benefits include:

- Members only online tee time booking
- Online handicap tracking
- Free use of locker facilities (subject to availability)
- Eligibility to play in membership events such as the Upper Canada Club Championship
- 20% discount on Pro Shop merchandise (some exceptions)
- Special offers and discounts for other St Lawrence Parks Commission facilities and attractions

Membership payments can be made in one or two instalments. For your convenience, you can book an appointment with one of our guest relations agents to call you and arrange payment. Appointments begin February 14, 2022. Visit bookings.parks.on.ca.

Please note all 2022 memberships require a Golf Canada/Golf Association of Ontario (GAO) fee of \$38.50 per adult and \$28 per junior member. The GAO membership also includes valuable insurance benefits such as coverage for damaged clubs and windshield protection.

To become a member, please complete the [2022 Membership Agreement](#). We look forward to seeing you on the course this summer!

Sincerely,
Allen McNairn
