

# UCGC MEMBERSHIP RENEWAL

February 2023

## UPPER CANADA GOLF COURSE 2023 MEMBERSHIP

Thank you for choosing the Upper Canada Golf Course (UCGC) in 2022. We appreciate your business and hope to see you again this year. As we move closer to the season, changes have been made to the process of registering for a membership. We will be offering an in-person process, similar to previous seasons. We will be available to take memberships at the Golf Course Pro Shop, the week of March 27 – 31, 9 am to 4 pm. Anyone who would prefer an earlier date can contact Allen McNairn either by email, [allen.mcnairn@parks.on.ca](mailto:allen.mcnairn@parks.on.ca) or directly at 613 551-1678 (mobile).

That is why we are reaching out to you, our existing 2022 UCGC members, to give you the opportunity to secure your 2023 membership now. Additionally, **if you renew and pay your membership in full by March 31, 2023, you will receive two complimentary weekday green fee passes**, perfect for introducing family and friends to your golf course.

We are back to in person Golf Shows this year and will be in Ottawa March 3 – 4, booth 218. If you are planning to attend, please stop by and say hello!

Full golf memberships are available for Single, Senior, Student, and Junior. All memberships include complimentary use of the driving range (a value of more than \$250). We encourage you to review the options available (<https://www.uppercanadagolf.com/golf/become-a-member/>) and select the category best suited for you.

Membership benefits include:

- Members only online tee time booking
- Online handicap tracking
- Free use of locker facilities (subject to availability)
- Eligibility to play in membership events
- 15% discount on Pro Shop merchandise (some exceptions)
- Special offers and discounts for other St. Lawrence Parks Commission facilities and attractions

Please note all 2023 memberships require a Golf Canada/Golf Association of Ontario (GAO) fee of \$40 per adult and \$30 per junior member. The GAO membership also includes valuable insurance benefits such as coverage for damaged clubs and windshield protection.

Feedback wanted! We want to hear from you about areas where we can improve and suggestions you have to make your experience with us even better. In the coming weeks we will be requesting your feedback through a brief email survey. Help inform our goals for the future of Upper Canada Golf Course.

UCGC is excited to be offering golf lessons this summer. It is going to be a good season. We look forward to seeing you soon.

Sincerely,

Allen McNairn
